# Allworx Trade-Up to the Cloud

If you are still using an Allworx on-premises phone system, you might consider this: Allworx is offering a Trade-Up promotion that allows you to keep your existing phones and software applications but move your Allworx server to the Cloud.

And, if you are under a Windstream IP Simple contract, Allworx can help you with the buyout of your phones.

## Allworx<sup>®</sup> Connect<sup>™</sup> Vx

Trade-Up your Allworx on-premise server & move to the Allworx Cloud

Click [HERE](#) for more information on the Allworx Connect Vx Trade-Up to the Cloud program

Our engineers provide design and implementation of IP phone systems and network services from all the leading carriers. We also offer WiFi services, cloud services, IP surveillance camera systems, network analysis and network optimization services.

Our technicians install voice and data cabling, fiber optic cabling, racks, cabinets, under-floor tray systems, wireless access point installation, and more. Our installers are certified, union technicians. By using quality products and certified technicians, we can provide you with an infrastructure capable of supporting all applications designed for today's standards.

Allworx Training and Service Center - As a premier provider of Allworx IP phone systems, we offer free on-site training and a suite of post-implementation services to help you successfully maintain your system.
